**CCNZ CONFERENCE**

20-22 AUGUST  
ANNESBROOK CHURCH  
WITH GUEST SPEAKER:

**BRUCE MONK**

## MOVE 09

Last year was incredible as churches gathered from all around New Zealand to be apart of something bigger, a life changing conference which renewed hope and zeal. We joined together to build momentum in our churches and in our movement like never before. This year we are more determined than ever to achieve bigger things, stretch to higher heights and pull together to embrace the future of a movement that refuses to be status quo.

We have invited Bruce Monk to speak this year. He is the president of the apostolic denomination and is making large headway in revolutionising the movement.

If you are a part of your local church this conference is for you. Come be apart of Move 09 and give yourself permission to think bigger and go beyond where you have been before. This is the time for Transformation.

# PASTORS REFRESHER

If you are a pastor at your church you are also invited to our Pastors and Spouses Refresher held at bridge valley from the 18th-20th of August. This will be a powerful time to connect and hear from one of the most influential people in the Australian churches of Christ movement, Andrew Ball.

## ANDREW BALL

Andrew's primary passion is to see the movement of Churches of Christ resource the local church. Andrew is also passionate about spiritual transformation flowing from a desire to live a cultivated spiritual leadership journey. Andrew has been ministering in Churches of Christ across Australia for 20 years and will bring a word in season to inspire and motivate you to charge ahead in your leadership.

# CCNZ CONFERENCE

## BRUCE MONK

Ps Bruce has been in ministry for over 30 years being involved in numerous churches plants during this time, including Equipppers Church in London, where Ps Bruce spent eight years leading and developing others to take up the mantle of leadership.

As National Leader for ACTS Churches New Zealand, Ps Bruce has significant input into 65 plus churches around the country, implanting vision and direction for the national movement, but also encouraging the release of the next generation, something he is passionate about.

Ps Bruce also gives apostolic leadership to Equipppers Church network throughout New Zealand, an apostolic initiative under the umbrella of ACTS Churches New Zealand. Ps Bruce is supported by his wife Helen, four children whom are all married, and eleven grandchildren.
